Date: 13/03/2018

**Site: Preksha Dhyan Academy, Koba, Gandhinagar, Gujarat.**

**Owner: Chairman Mahapragya Vidhya Niketan**

**Architect: Shilp Shree- Ahmedabad**

**Structure Design: Shailesh M. Shah B.E. Civil AMIE Ahmedabad (passes in the year 1971.)**

Shilp Shree has design the project of Maha Pragma Vidhya Niketan at Preksha Dhyan academy at Koba, Gujarat. The survey number of land is 544,545,547, Moje Kudasan Taluka District Gandhinagar. Drawings have been certified by Local Authority. Construction was carried out by labour work and all the building materials were supplied by owner Mr. Shailesh Shah has designed the structure and periodically at the figure of construction. He has visited the site.

This building was designed as per ISI standards. Considering the Dead load and Live load as per commercial norms of standards. Mr. Shailesh shah has considered factor of safety for the building is 3.00. Mr. Shah has submitted the all working drawing at the time of construction as necessary. Checking of steel and concrete was done by the Assistant Engineer of Mr. Shah.

Now looking to the structure the building is safe. I had visited to site very often. We study the site and there were no deflections in any beams or no crushing effects were happened due to settlement of footing or excess load coming to column and there was nothing to be noticed any damages.

Conclusion:

As per observation of Mr. Shailesh Shah the structure is safe up till now and for up to Year – 13/03/2038.

Regards,

Shah Shailesh Manubhai
